

TOO TOXIC FOR TRASH: ELECTRONICS, HOUSEHOLD HAZARDOUS WASTE & BATTERIES

Pennsylvania's Covered Device Recycling Act enacts a ban on the disposal of electronic items because of the health and safety impacts of hazardous materials associated with them. Batteries, ink and toner cartridges, motor oil, and many home and garden products also contain ingredients that are harmful to the environment and should not be thrown away in the regular trash. **Here are some resources to help you safely dispose of these items:**

ENVIRONMENTAL COORDINATION SERVICES & RECYCLING, INC

Dispose of unwanted chemicals and electronics including **TV's** at ECS&R on Saturdays by appointment. Nominal fees apply and pre-registration is required. ECS&R is a PA Dept. of Environmental Protection permitted and bonded facility. **"Point & Pack" pick up service** available- visit the www.ECSR.net to fill out our online inventory sheet for a cost estimate and to arrange a convenient pick up date.

ACCEPTED: Cleaning Products, Pesticides, Batteries, Automotive Products, Flammable Products, Fluorescent Bulbs, & CFL's, Lawn & Garden Chemicals, Pool Chemicals, Aerosols, Paint & Paint Products, Small Mercury Thermostats, Propane Cylinders, **Televisions**, Stereos, Tape Players, Computers, Laptops, Peripherals, Printers, Phone Systems, VHS & Cassette Tapes, Mobile Phones, CD Players, Fax Machines, VCR's, Copiers, CD's, DVD's, and small Freon™ Appliances

Address: 129 Ash Stop Rd., Evans City, PA 16033 **Website:** ECSR.net **Phone:** 1-866-815-0016

VOGEL DISPOSAL SERVICE, INC.

Vogel Disposal Service, Inc. offers curbside pick up of refrigerators and air conditioners- bulk item fees apply.

ACCEPTED: Refrigerators and air conditioners. (These are considered to be bulk items and Vogel must be contacted in advance of pick up. Because these items may have contained Freon™, a certified technician must remove or verify that no gas remains in the appliance. Vogel offers this service for an additional fee.)

Address: 121 Brickyard Road, Mars, PA 16046 **Website:** vogeldisposal.com **Phone:** 724-625-1511

BATTERY GIANT OF PITTSBURGH

Battery Giant processes and recycles batteries by delivering them to a permitted U.S. Environmental Protection Agency battery recycling facility.

ACCEPTED: Rechargeable and Non-rechargeable Batteries

Address: 10 St. Francis Way, Ste. 900, Cranberry Twp, PA 16066 **Website:** batterygiantpgh.com **Phone:** 724-741-6200
