

E-BILLING

Why e-Billing?

Fill out the Automatic Bill Payment Form online:

www.CranberryTownship.org/PaymentOptions

You can pay Cranberry’s water, sewer and trash collection bill in a variety of ways! But doing it electronically with e-Billing has some important advantages – and you’ll find even more with automatic payments.

Better records. Get your statement via email and retain it in your computer

Earn rebates. Combining e-Bill statements with automatic payments earns a \$1 credit each month

No stamp needed. Automatic payments save on postage costs each month

Always on time. Automatic payment means you will never get charged another late fee

Reduce waste. e-Billing means no more envelopes, statements or inserts to recycle
