**Hop to It! Easter Bunny to tour Township**

Cranberry Township will be hopping later this month as the Easter Bunny makes his way around the community to greet residents.

Set from noon to 2 p.m. Saturday, March 20, the Easter Bunny Tour will travel through Community, North Boundary and Graham parks, as well as past the Municipal Center. The Easter Bunny will mount a Township fire engine to spread cheer prior to Easter Sunday festivities.

Residents are encouraged to safely gather in the parks and greet the Easter Bunny as he navigates the Township. Social distancing is encouraged, and the Easter Bunny will remain on the truck for the duration.

The rain date is set for noon to 2 p.m. Saturday, March 27.

Follow Cranberry's social media accounts and visit [cranberrytownship.org](http://cranberrytownship.org) for more information!
