Vendors Sought for 2021 Cranberry Farmers Market

Fresh fruits and vegetables will soon sprout, and Cranberry Township and the Pittsburgh North Regional Chamber will once again bring those fine foods directly to residents.

The 2021 Cranberry Township Farmers Market will kick off Friday, June 4. It will be held from 3-7 p.m. every Friday throughout the summer in the front parking lot of the Township Municipal Center, 2525 Rochester Road.

After a successful 2020, this year's market will feature more vendors and farmers to allow for residents throughout the Pittsburgh area to #SHOPSMALL and support local businesses.

Admission to the market is free and is held rain or shine. Special themed events will be announced as the opening draws near.

Registration for vendor booth spaces is open now and limited. For more information or to become a Farmers Market sponsor, please visit CranberryTownship.org/FarmersMarket.
