**Camp Cranberry Promises Summer of Fun**

Camp Cranberry has always been the best way for kids to have fun in the sun.

This year's Camp will be bigger and better – and safer – than ever with the expansion of fun and educational presentations.

Running from June 7 to August 20, Camp Cranberry is a theme-focused day camp designed to challenge, entertain, and inspire. It focuses on developing physical, social, and decision-making skills, promoting self-confidence, and most importantly having plenty of fun.

Camp is separated into four groups: Mini Movers (ages 3-4), Little Achievers (ages 5-6), Youth Camp (ages 6-8 and 9-12) and Future Leaders (ages 13-15). Half day hours are available for Mini Movers and Little Achievers. Meal plans and extended care are also available.

In addition to fun activities, camp guests for 2021 include balloon artists, a mad scientist workshop, live animal presentations, the Audubon Society of Western PA, princess, and superheroes, as well as local police and K9 officers and firefighters. Additional guests will be added throughout the summer.

Campers also have access to the Township Waterpark each day, with a specific lifeguard assigned to keep watch. They're just one of the camp staff that are carefully selected, highly qualified individuals who are passionate about working with youth.

Camp Cranberry is also focused on safety of both campers and staff. Carefully crafted COVID-19 protocols were implemented during the 2020 season with complete success and have been finely tuned to ensure everyone is safe while having a fun summer.

To view safety protocols, read testimonials from parents, meet the highly trained staff, and register visit [cranberrytownship.org/campcranberry](http://cranberrytownship.org/campcranberry).
