**MOVING DUI VICTIMS MEMORIAL TOURING THROUGH CRANBERRY TOWNSHIP**

It has been over a year since the PA DUI Association has been able to share in fellowship with families who have been impacted by impaired drivers, due to the impact of the pandemic. However, the PA DUI Association in partnership with partnering agencies like the **Cranberry Township Police Department** are presenting the *DUI Victims' Moving Memorial Tour* and visiting Cranberry Township. The statewide events are open to the public, with encouraged attendance from participation from partner agencies, and affected family members.

Since the July 4<sup>th</sup> holiday period statistically and unfortunately results in higher numbers of impaired driving incidents, it is important to bring this issue to the forefront before the summer season kicks off.

**The DUI Victims Memorial Tour will be staged on Thursday, June 24, 2021 at the Rotary Amphitheater in Community Park, 111 Ernie Mashuda Dr., Cranberry Twp, PA (Butler County).**
