**Parks & Rec Personnel to be Celebrated at Community Days**

Cranberry's parks are some of the best in the region, but they wouldn't be as great without dedicated staff working hard each day.

That's why the Board of Supervisors recently adopted a resolution declaring July 16, 2021 as Park and Recreation Professionals Day.

And, as part of that celebration, the Pennsylvania Recreation & Park Society will visit the Township during the biggest celebration of the year.

PRPS President Tim Herd will visit Community Days at 3 p.m. Saturday, July 10 in Community Park. The visit is one of three statewide as part of the organizations spotlight celebrations in the leadup to Park & Recreation Professionals Day.

Members of the Township Board of Supervisors, as well as staff, will be on hand to welcome Herd and highlight the Township's commitment to provide excellent parks and programming to residents.
