

## GOING YARD

### WASTE COLLECTION BEGINS MARCH 29

With the first signs of spring sprouting, the sounds of lawnmowers and weed eaters aren't far behind.

The collection of yard waste will resume the week of March 29, a sure sign that brighter, warmer days are ahead. It will be picked up on regularly scheduled trash pickup days.

Residents should place yard waste curbside in a green-top cart or biodegradable paper bags. Dirt, stones, litter and other debris should be removed. Leaves and lawn trimmings in plastic bags will not be collected.

No sticker is necessary during the yard waste collection season.

To order a green top yard waste cart contact Customer Service at 724-776-4806, option 3. There is no additional fee for the yard waste cart. Biodegradable yard waste bags are also available for purchase from Customer Service.

#### Acceptable Yard Waste

Plant material such as leaves, grass clippings, small branches under four inches in diameter, brush, plants, house plants, flowers, roots, shrubbery, hedge trimmings, tree trimmings, sawdust, and similar debris commonly found in the course of maintaining yards.

#### NOT Acceptable Yard Waste

Food waste, fruits and vegetables, tree limbs over four inches in diameter, tree stumps, firewood, soil, sod, dirt, lumber, construction material, plastic bags, children's plastic toys, garden hoses, plastic flower pots, scrap metal, auto parts, motor oil, tires, rocks, bricks, stones or concrete chunks, excrement, and synthetic material.

Visit [CranberryTownship.org/YardWaste](http://CranberryTownship.org/YardWaste) for more information.

### KEEP COVERS CLEAR

There's beauty, and then there's function. Township residents are asked to keep that in mind as they beautify their lawns and gardens this spring. Please avoid covering manholes and

water curb stops with landscaping, as doing so can create clogs and make accessing drainage and sewer systems complicated.

Happy planting!

### HAZARDOUS WASTE EVENT SET APRIL 17

Residents can soon get a jump on spring cleaning while also getting rid of potentially hazardous materials.

A Household Hazardous Waste Collection event is schedule from 9 a.m. to 1 p.m. April 17 at the Township Public Works building off Route 19.

The event requires advance registration at [www.eCSR.net](http://www.eCSR.net).

Rates for specific items include:

- \$0.60/lb. TVs, monitors, printers & towers
- \$0.40/lb. All other electronics
- \$0.70/lb. Small Freon® (refrigerant) containing devices
- \$0.63/lb. Paint
- \$1.00/lb. Household hazardous waste
- \$0.75/lb. Universal waste (bulbs and batteries)
- \$4/ea. Propane tanks

Some items are not accepted, including explosives, fire extinguishers, radioactive material, elemental mercury, ammunition, tires, medical waste, syringes, smoke detectors and large appliances.
