

# IN THE PIPELINE

February 2021

## Oh, Who Are the People in Your Neighborhood?

### FORUM REFOCUSSES IN 2021

The concept of loving thy neighbor is alive and well in Cranberry Township.

The Township's new focus on community forums will only strengthen those bonds while also uniting individual communities.

The Neighborhood Forum, formerly known as the Homeowners Association Forum, will feature not only a new name but a new format and more frequent meetings – and, hopefully, new members.

The meetings will each have a detailed agenda, with alternating focuses every other month.

Meetings during even-numbered months will focus on the Neighborhood Playbook. Led by the Township's Planning & Development Services Department, these will feature discussions on HOA by-laws and finance management. Participants will work to create a playbook for how the HOA operates, their creation and how to best keep residents informed. Updates from the Board of Supervisors, Planning

Advisory Commission and Environmental Advisory Committee will also be shared.

Odd-numbered months will feature the Neighborhood Event Playbook, during which members of the Communications Department will discuss Township programs and events, as well as topics such as stormwater and public safety. Non-profit and business leaders will randomly participate as special guests.

A roundtable discussion will conclude each meeting, with Township Manager Dan Santoro serving as moderator.

If a neighborhood is not part of the forum, please contact Planning & Development Services at 724-776-4806 ext. 1104 to become involved. Meetings are held on the second Monday of every month.

The next forum meeting, held virtually, is set for 6:30 p.m. February 8.

### BILL REFLECTS ERROR

The February sewer, water and trash bill features a miscellaneous charge named "Prorated Trash." This was needed as the January bill did not properly reflect the correct amount for trash service in 2021.

The planned increase was listed incorrectly. Therefore, the February bill was prorated to cover that discrepancy. We apologize for the inconvenience.

### KIDS CLUB CONTINUES

for Those Using Caution

While virtual learning may be in the rear view, before and after school supervision is still a concern for working parents.

That's why the Township Parks and Recreation Department's Kids Club Before & After School Program continues to accept new students. Both programs offer fun and creative supervised activities along with homework help.

Sessions are open from 6:30-8:45 a.m. and 3:45-6 p.m., with transportation to and from school provided. CDC guidelines and social distancing are followed, and masks are required.

For more information or to register, visit [Cranberry4FUN.com/KidsClub](http://Cranberry4FUN.com/KidsClub).
