

CRANBERRY SNOW ANGELS

SNOW ANGELS ACTIVATED

There's no place like snow in Cranberry Township! Our Snow Angels have been activated and are coming to the rescue. Cranberry Snow Angels is designed to help minimize the difficulties of snowstorms by matching community volunteers with elderly or disabled residents to assist with snow shoveling.

Snow Angels will be partnered with residents to remove snow and help keep sidewalks and driveways safer for everyone. The program is managed by the Township's Community Response Team. This is the second year the program has been implemented for the winter season. The CRT is seeking individuals

to specifically volunteer as Snow Angels. Residents in need of snow removal are encouraged to contact the Township. Applications, to receive help; or to volunteer are posted on the website, **CranberryTownship.org/SnowAngels**.

CARDBOARD COMPACTOR OPEN FOR BUSINESS

After the holiday season is a good time to utilize the Township's Cardboard Compactor, located behind the Municipal Center at 2525 Rochester Road. It's a convenient way to eliminate cardboard boxes, while doing your part for the good of the environment. Specifically, the Township's commercial-strength compactor is capable of handling large volumes of residential cardboard carton waste.

The following guidelines are in place for proper usage:

- No Styrofoam or packing 'peanuts' (Place these items in your GRAY-TOP trash cart.)
- No garbage
- If the compactor is full, do not leave boxes outside.
- A camera monitors the compactor's usage.

FAST FACTS ON Recycling Cardboard

- ♻️ Recycling one ton of cardboard saves over 9 cubic yards of landfill space.
- ♻️ Recycling home wastes like newsprint, cardboard, glass, and metal can reduce carbon dioxide emissions by 850 pounds a year.
- ♻️ Americans throw away enough wood and paper every year to heat 50,000 homes for 20 years.
