**Think Summer with A Waterpark Membership for the Holidays**

Make a splash with a spectacular stocking stuffer!

On Black Friday, November 26, Cranberry Township Waterpark membership for 2022 will be on sale for the lowest price of the season. Memberships are available to residents and non-residents.

And if a summer of fun isn't enough incentive, those purchasing a membership will be automatically entered into a drawing to win a prize pack of gift cards, a buy one/get one certificate to Cranberry Highlands Golf Course, Cranberry Township promotional items, food goodies and much more!

The contest begins November 26, and those purchasing that day receive double entries. Double entries are also given to those purchasing on Monday, November 29. The contest runs through January 1, 2022, with each membership earning one entry into the drawing.
