Register and Win at Preschool Open House

It's never too cool for school.

Cranberry Township's Early Learning Center continues to offer high-quality education for children 2 ½ - to-5-years old, and curious families are invited to learn more at an Open House event Thursday, February 17.

The Open House, set for 5-7 p.m. at the Early Learning Center, 2525 Rochester Road, will allow parents and their children to learn about the programs, explore classrooms, and ascertain sanitation and safety measures firsthand. Guests at the open house will also have the opportunity to personally meet the Center's excellent teachers and staff.

The Center includes advanced security and sanitation features, an in-house library and a full-size gymnasium. A 5% discount is available for siblings.

Registration for the 2022 school year is now open. Students are accepted into the program on a first-come first serve basis with an anticipated waiting list. As a bonus, those registering during the open house are automatically entered into a drawing to win a Gift Card that can be used toward any program that is offered through the Township's Park & Recreation Department.
