Camp Cranberry Promises Summer of Fun

There's no better time than summer to get outside and enjoy nature – and there's no better place to spend those summer days than Cranberry Township.

Running from June 6 to August 19, Camp Cranberry is a theme-focused day camp designed to challenge, entertain, and inspire. It focuses on developing physical, social, and decision-making skills, promoting self-confidence, and most importantly having plenty of fun.

Camp is separated into four groups: Mini Movers (ages 3-4), Little Achievers (ages 5-6), Youth Camp (ages 6-8 and 9-12) and Future Leaders (ages 13-15). Half day hours are available for Mini Movers and Little Achievers. Meal plans and extended care are also available.

In addition to fun activities, several entertaining and educational guests are slated to visit Camp Cranberry in 2022.

Campers also have access to the Township Waterpark each day, with a specific lifeguard assigned to keep watch. They're just one of the camp staff that are carefully selected, highly qualified individuals who are passionate about working with youth.

Camp Cranberry is also focused on safety of both campers and staff, with a number of protocols and precautions in place to ensure that safety.
