Skate Park Closure Makes Way for Additional Parking

The Township's Skate Park is set to close as part of an expansion and upgrade project to the Municipal Center campus.

The last day open is Monday, May 30. Dismantling of the skate park will begin Tuesday, May 31.

Over the coming months, the area will be filled in as part of the first phase of an essential upgrade the rear lot at the building. The project will address stormwater issues and expand the capacity of the parking lot.

As part of ongoing work on the Township's Parks Master Plan, the location and layout of a new skate park will be discussed. Community feedback will be welcomed during that process.
