**Cranberry Selling Items via Auction Site**

Browse, bid, and buy!

Cranberry Township is getting rid of surplus items, and residents have a chance to take home those items at a deep discount.

Via the Municibid auction site, used items are posted for review and public bid. The Summer 2022 auction features tools, vehicles, police and fire equipment, and traffic signals, to name a few.

For photos and descriptions of available items, visit the Municibid website and create an account. Bidding ends July 7. Successful bidders can arrange to pick up merchandise from the Township.

For more information, visit [cranberrytownship.org/municibid](http://cranberrytownship.org/municibid).
