**Pups To Be Unleashed at New Dog Park**

It's finally time for dogs be unleashed at the new Rotary Dog Park.

The ribbon will officially be cut at 10 a.m. Saturday, September 24 at the relocated space in Community Park, adjacent to the original dog parks.

Major pieces of the park, include fencing, a pavilion, and parking areas were completed in the summer. The grass area has had a chance to take root and the ground a chance to settle, ensuring the new location can handle wear and tear from Cranberry's canines.

The new park features dedicated areas for large and small dogs to run off-leash and offers both open and wooded spaces. The wooded areas border the Community Park trail.

The expanded park also offers ample parking, water access, and benches. A pavilion and concrete pad offer a comfortable area to gather and watch pooches enjoy the open space.

The project was partially funded via a contribution from the Cranberry Rotary Club.
