Inaugural Cranberry Sunset Rotary Disc Golf Tournament Set

Two weeks after the best players in the world took on the North Boundary Championship Disc Golf Course, local players will have a chance to put their skills to the test.

The inaugural Cranberry Sunset Rotary Disc Golf Tournament is set for Saturday, September 24 at the course in North Boundary Park. The course recently hosted the PDGA Disc Golf Pro Tour Silver Series, featuring more than 100 of the best pro players in the world.

The inaugural Rotary event is a fundraising doubles tournament aimed at aiding the Sleep in Heavenly Peace organization, as well as help fund additional programs for organizations around the Pittsburgh area.

The Sleep in Heavenly Peace organization assists children and families in need by providing much needed beds and linens nationwide. Locally, the Mars chapter builds these beds for children in and around Butler County.

The \$50 participation fee includes tournament play, Discmania players pack, t-shirt, and lunch. Registration begins at 8 a.m., with play getting underway at 9 a.m.

The event is sponsored by Discmania, Camber Disc Golf, and OTB Discs.
