Spaghetti Dinner to Help Auxiliary's Mission of Service

What's better than a spaghetti dinner made with love?

One that also supports those who keep the community safe.

The annual Cranberry Township Volunteer Fire Company Ladies Auxiliary Spaghetti Dinner is set for 4-8 p.m. Saturday, November 5 at the Route 19 Fire Station.

The menu features spaghetti and meatballs, salad, rolls, and dessert. Eat-in and takeout are available.

Tickets can be purchased at the door for \$8 for adults and \$5 for kids aged 4-12. Children under 3 eat free.

Many raffle baskets will also be available for bid.

All proceeds from the event support the Auxiliary's mission of supporting the Fire Company and community.
