**Think Summer with A Waterpark Membership**

Make a splash with a spectacular stocking stuffer!

On Cyber Monday, November 28, Cranberry Township Waterpark membership for 2023 will be on sale for the lowest price of the season. Memberships are available to residents and non-residents.

And if a summer of fun isn't enough incentive, those purchasing a membership will get double entries to a drawing to win one of three prize packs containing gift cards, a buy one/get one certificate to Cranberry Highlands Golf Course, Cranberry Township promotional items, food goodies, and much more.

The contest and discounted rates run through January 1, 2023, with each membership earning one entry into the drawing.
