**Sensory Santa Event Offers Safe Space**

A new event in Cranberry Township offers a safe space to meet Santa and his Elves at one's own pace – from the comfort of a warm car!

A Sensory-Friendly Santa Drive Through event is set for 11 a.m. to 2 p.m. Saturday, December 3 at the Cranberry Township Municipal Center.

Presented by the Cranberry Sunrise Rotary and In Toto Community Resource Center, the event offers a chance to enjoy holiday games, sensory activities, and treats in a low-stress, sensory-friendly way. Participants are able to greet Santa in their own way.

Registration is required, and a donation is suggested to help support programs and groups via the non-profit In Toto Community Resource Center.
