**Cranberry Seeks Interns for 2023**

Before college students settle in for their next semester, they have an opportunity to lock in a summer internship filled with hands-on, real-world experiences.

Cranberry Township is seeking summer 2023 interns for unique opportunities within numerous departments, including Police, Communications, Engineering & Environmental Services, Safety, Fire & Emergency Services, Planning & Development Services, and Public Works.

The program will run from approximately May 22 through August 4, 2023. The internship includes department rotations to allow interns the chance to see all Township operations.

Applicants must be currently enrolled in an educational institution, and students seeking a bachelor's or master's degree in a relevant major are preferred. Those interested in applying may only submit their application to one department.

Apply by February 24, 2023, at [cranberrytownship.org/employment](http://cranberrytownship.org/employment).
