PAY YOUR BILL, SUPPORT THE COMMUNITY

It's easy to forget – video streaming, magazine subscriptions, and any other service that is automatically withdrawn from a bank account each month.

Why not use that same "set it and forget it" mindset to give back to the community?

The Cranberry Township Community Chest accepts donations through Township utility bills with the click of a few buttons. Donors can select any amount to automatically be deducted from the monthly bill, with 100% of the donation going to CTCC to directly benefit the Cranberry Township community.

Whether it's \$1 or \$100, each monthly donation adds up and is entirely tax deductible. The donation will be deducted each month until it is canceled by the bill payer with the Township's Finance Department.

Visit cranberrytownship.org/billpay to set up automatic utility donations.
