Registration Open for Community Chase 5K Run/Walk

The race is on for a great cause!

The annual Community Chase 5K Run/Walk, held in conjunction with Cranberry Township Community Chest's Community Days celebration, is set for 8:30 a.m. Saturday, July 15.

Registration is now open, with the first 150 individuals receiving a race t-shirt and goody bag. Proceeds support CTCC's mission of improving the Cranberry community through projects, endowments, and other initiatives.

Featuring a mix of hills, roads, and nature trails, the race through and around Community Park offers unique challenges to any level of runner or walker. Medals are awarded to the top finishers in each age group, and cash prizes are awarded for the top three overall female and male finishers.

Registration also includes a meal during the Lion's Club Pancake & Sausage Breakfast at the Jaycees Shelter in Community Park following the race.

To register and for more information, visit yourctcc.org/5k.

The Community Chase 5K is presented by BAIERL Toyota and sponsored by UPMC Passavant, Berkley Manor, and Pashek + MTR Ltd. To become a 5K sponsor, visit www.yourctcc.org/sponsor.
