**Farmers Market Returns for Summer Shopping**

Fresh fruits and vegetables will soon sprout, and Cranberry Township and the Pittsburgh North Regional Chamber will once again bring those fine foods – and much more - directly to the region.

The 2023 Cranberry Township Farmers Market will kick off Friday, June 2. It will be held from 3-7 p.m. every Friday throughout the summer in the front parking lot of the Township Municipal Center, 2525 Rochester Road.

More than 40 vendors will be on hand each week offering everything from fresh produce, honey, flowers, bread, jams, baked goods, grass-fed beef, soaps, spirits, and more.

Admission to the market is free and the events are held rain or shine. Special themed events are also scheduled, including Grand Opening Ceremonies (June 2) and Barktoberfest (Sept. 29).
