Cranberry Goes Pink for Breast Cancer Awareness Month

Cranberry Township and its employees are joining the fight with those dealing with breast cancer.

As part of Breast Cancer Awareness Month, Township employees are doing their part to bring attention to the disease, promote early detection, and support those in the community impacted by it.

Initiatives include:

- The Municipal Center, 2525 Rochester Road, is illuminated pink for the entire month of October.
- Cranberry Township's First Responders are wearing pink bands on their badges.
- Township employees will donate an amount of their choosing to wear pink clothing on Wednesday, October 18, with proceeds benefiting a local breast cancer charity.
- Township leadership team will meet with UPMC leadership team to collaborate on marking the importance of cancer awareness.
- Local events that mark Breast Cancer Awareness will be highlighted on the Township's social media pages as part of their social responsibility on community awareness issues.
