**Title the Truck Voting Open**

After parsing more than 100 submissions, Cranberry Township's Title the Truck contest is roaring forward.

The 2024 edition challenged participants to create a unique, Cranberry-centric name for one of the Public Works Department's all-season trucks used for snow removal in the winter, road paving in the summer, and various other projects.

The final three names include:

- Mack Of All Trades
- Trucky Cheese
- The Route 19 Runner

Public voting runs from through March 16 by visiting [cranberrytownship.org/TitleTheTruck](https://cranberrytownship.org/TitleTheTruck).

The winning name will be announced March 21 and included on a design placed on a Township truck. The person making the winning suggestion will receive a Township prize pack.
