**Sponsors, Vendors Sought for Community Days**

The biggest event of the summer is taking shape in Cranberry Township, and you can be a major part of it.

Community Days, the annual three-day celebration presented by the Cranberry Township Community Chest, is set for July 11-13. UPMC Passavant returns as the event's title sponsor, continuing a long-running partnership with the Township.

Staples of the weekend include the Cruisin' Cranberry Car Show, Community Chase 5K, Lion's Pancake Breakfast, Rotary Craft Ale and Wine Garden, Cranberry CUP Home Run Derby, Battle of the Badges, and the fan-favorite Saturday night fireworks display. Attendees can also browse vendors and food trucks, enjoy carnival rides, hear live music, and meet dozens of the Cranberry community's non-profits.

Exclusive sponsor opportunities are available on a first come, first served basis with exposure reaching more than 48,000 households and businesses.

Additionally, artists, crafters, food trucks, non-profit organizations, and businesses are invited to participate throughout the weekend. Vendors do not need to be based in Cranberry Township to participate.

To reserve a booth and to view sponsorship packages visit [yourctcc.org/communitydays](https://yourctcc.org/communitydays).
