

SAY **YES!** TO YARD WASTE

Cranberry Township's yard waste collection runs from April until early December on regular collection days.

Here are a few friendly reminders for how to properly dispose of grass and weeds this spring.

- Place yard waste curbside in a green top cart or biodegradable paper bags
- Remove dirt, stones, litter, and other debris
- Close bags by folding them top down
- No sticker is necessary during the yard waste collection season
- Leaves in plastic bags will NOT be collected

To order a green top yard waste cart, contact Customer Service at 724-776-4806 option 3. There is no additional fee for the yard waste cart.

Biodegradable Yard Waste bags are available for purchase from Customer Service. Five 30-gallon paper bags are available for \$2. Biodegradable paper bags are also available at most home improvement and hardware stores. Plastic lawn bags are not biodegradable.

COMMUNITY SEEKS YARN CREATORS

Want to get down to the "knitty" gritty to make Cranberry beautiful? Join Cranberry's Yarn Creations this spring!

For a decade, the group has stitched thousands of strands to create the colorful display featured during Community Days. Blossoming from 11 initial tree wraps to more than 50 displays, over 100 community volunteers have made their mark on the project.

Volunteers are always needed to carry on this community favorite project. No sewing expertise? No problem! Anyone can be taught the basics of crocheting and knitting. Materials are provided by the Cranberry Township Community Chest.

Please help keep the yarn spinning and contact Hoffman at fjhoffman@zoominternet.net.
