**Community Days Vendor Deadline is June 1**

The deadline to be a part of Cranberry Township Community Chest's Community Days is fast approaching.

Community Days, the annual three-day celebration, is set for July 11-13. UPMC Passavant returns as the event's title sponsor, continuing a long-running partnership with the Township.

Artists, crafters, food trucks, non-profit organizations, and businesses are invited to participate throughout the weekend. Vendors do not need to be based in Cranberry Township to participate.

The deadline for vendor signups is June 1.

Staples of the weekend include the Cruisin' Cranberry Car Show, Community Chase 5K, Lion's Pancake Breakfast, Rotary Craft Ale and Wine Garden, Battle of the Badges, and the fan-favorite Saturday night fireworks display. Attendees can also browse vendors and food trucks, enjoy carnival rides, hear live music, and meet dozens of the Cranberry community's non-profits.

To reserve a booth, visit [yourctcc.org/communitydays](https://yourctcc.org/communitydays).
