### **Martinis With Monet Kicks Off Community Days**

Kick off Community Days weekend with an evening of art cocktails and creativity.

The annual Martinis with Monet is set for 7-9 p.m. Wednesday, July 10 at the Cranberry Township Municipal Center, 2525 Rochester Road.

The evening includes art created by members of the Cranberry Artists Network, music by James and Debbie Tobin, hors d'oeuvres by John Marshall Catering, and drinks. Proceeds benefit the Cranberry Township Community Chest and Cranberry Artists Network.

Sponsored by Campbell Durrant P.C., HRG, PNC, and UPMC Passavant, the event serves as the official kickoff for CTCC Community Days, set for July 11-13 in Community Park. It also serves as the opening reception for the Cranberry Artists Network's Summer Art Exhibit, which runs August 22.
