**Project Puppet Coming to Life in 'The Forge'**

Discover the magic of bringing characters to life during the Cranberry Public Library's newest program.

Project Puppet is a multi-day course that will guide participants through the process of creating their very own Muppet-style puppet. Participants will select the colorful components of their hand-and-rod puppet and assemble it using tools found in The Forge Makerspace. Each participant's puppet will be unique to them.

The workshop runs for four days, with two separate sessions:

- 10 a.m. to 12:30 p.m. July 22-24 and 10-11:30 a.m. July 25
- 5-7:30 p.m. July 29-31 and 5-6:30 p.m. August 1

The program costs \$177 per person and includes all materials and the instructor fee. Instructors will assist attendees with using machines and learning the skills needed to complete their project.

Participants must be at least 12 years old.

Register before 10 a.m. July 22 at [cranberrylibrary.org](http://cranberrylibrary.org).
