**MEDIA ALERT: Fire Chiefs to Explore Training Technology**

Fire chiefs from across Western Pennsylvania will descend on Cranberry Township this week to see the newest in cutting-edge, firefighting technology.

Representatives from Drager, a firefighting safety company, will present and demonstrate training equipment to fire chiefs at Cranberry's Public Safety Training Center, 1000 Maintenance Building Drive, from 9 a.m. to 1 p.m. Wednesday, August 7. Participants will get the chance to test out large training simulators and other equipment during the event.

Media is invited to attend this event, which offers quality photo and video opportunities.
