**Registration for Swimming Lessons Opens Jan. 22**

There's one surefire way to ensure a safe summer, and Cranberry Township's Waterpark offers just the place to do it.

In coordination with the Township's Stand Up to Drowning campaign, swimming lessons are offered at the Waterpark. Registration opens January 22, 2025, for the Summer 2025 program.

Highly trained, award-winning lifeguards teach lessons. The program's six levels focus on building skills, each a prerequisite for the following level. Children must be at least 6 years of age.

Additional offerings include Parent & Child Aquatics (6 months to 3 years old), Preschool Aquatics (4-to-5 years old), and Private Lessons appropriate for all ages, including adults.

Teaching the fundamentals of swimming is part of the Waterpark's Stand Up to Drowning campaign. Swimmers take a pledge to educate themselves on the rules and conduct of safe swimming. Waterpark visitors are asked to sign the pledge display and commit to staying safe.

For more information and to register for lessons, visit [cranberrytownship.org/swimlessons](http://cranberrytownship.org/swimlessons).
