Camp Cranberry Promises Summer of Fun

There's no better time than summer to get outside and enjoy nature – and there's no better place to spend those summer days than Cranberry Township.

Running from June 9 to August 15, Camp Cranberry is a theme-focused day camp that focuses on developing physical, social, and decision-making skills, promoting self-confidence, and, most importantly, having plenty of fun.

Registration opens Tuesday, January 21, 2025, at cranberrytownship.org/campcranberry.

Camp Cranberry is offered in four groups: Mini Movers (ages 3-4), Little Achievers (ages 5-6), Youth Camp (ages 6-8 and 9-12) and Future Leaders (ages 13-15). Half-day hours are available for Mini Movers and Little Achievers. Meal plans and extended care are also available.

In addition to fun activities, several entertaining and educational guests are slated to visit Camp Cranberry. Campers also have access to the Township Waterpark each day, with a specific lifeguard assigned to keep watch.

To learn more and register on Tuesday, January 21, visit cranberrytownship.org/campcranberry.
