**Community Days Vendors, Sponsors Sought**

It's time to secure a vendor booth for Cranberry Township Community Chest Community Days!

Community Days, sponsored by UPMC Passavant, returns to Community Park from July 10-12, 2025, for three days of live music, a carnival, food, vendors, and more special attractions.

Event organizers seek crafters, artisans, food vendors, direct sales businesses, and nonprofits.

Sponsorship and advertising opportunities are tax-deductible and will be seen by more than 50,000 attendees over the three-day weekend. Proceeds from the event stay in Cranberry and support the CTCC Project of the Year.
