Celebrate Cranberry on the Armstrong Great Lawn

Get ready to have a “great” time.

Celebrate Cranberry, set for 4-7 p.m. Friday, May 16, is the official grand opening of the Armstrong Great Lawn at the Municipal Center, 2525 Rochester Road.

Celebrate Cranberry offers the community a chance to experience the Armstrong Great Lawn. The event includes a Touch-A-Truck area with a sensory hour, Cranberry Local Government Day with Township representatives on hand to meet with residents, a photo booth, live music, food trucks, and more.

The evening starts at 3:30 p.m. as the Cranberry Township Community Chest unveils the Armstrong Great Lawn Donor Wall. As the Cranberry Township Community Chest 2024 Project of the Year, the Armstrong Great Lawn Project ties the Municipal Center to the rest of the community through a pedestrian-friendly shared space. The project coincides with the Municipal Center Modernization Project, which expanded and improved space within the building.
