**Volunteers Sought to Be 'Leaf Angels'**

Cranberry Township's Leaf Angel Program aims to match local volunteers to Township residents who need assistance.

The application for volunteers is now open. Residents needing a Leaf Angel can sign up online from October 13 until 5 p.m. October 24.

Assistance is based on the number of volunteers who sign up and can be matched with those in need. Volunteers will be matched with a resident in need beginning the week of October 27.

The program is a perfect opportunity for sports teams, schools, businesses, or individuals to acquire volunteer hours. Volunteers must be 15 years or older or accompanied by an adult and are encouraged to work as teams for maximum efficiency. Volunteers will use their own rakes and gloves.

The Township requires all leaves to be deposited in yard waste carts or disposed of in biodegradable bags and left at the curb for collection, per Vogel Waste Disposal requirements. No loose leaves or unapproved plastic bags will be accepted.
