Urgent: Snow Angel Program Needs Helpers

The Township's Snow Angel program urgently seeks volunteers to assist those in need of shoveling assistance.

Cranberry Snow Angels matches community volunteers with senior residents or those with mobility needs. Snow Angels remove snow and help keep sidewalks and driveways safer for everyone.

The number of need requests far outpaces volunteers, meaning new volunteers or groups are needed. Volunteers are required to complete the online application, which includes a liability waiver and photography use agreement. All participants must complete, electronically sign, and submit the form before a volunteer match can be made.

To learn more and become a Snow Angel volunteer, visit CranberryTownship.org/SnowAngels.
