**Camp Cranberry Promises Summer of Fun**

There's no better time than summer to get outside and enjoy nature – and there's no better place to spend those summer days than Cranberry Township.

Running from June 8 to August 7, Camp Cranberry is a theme-focused day camp that develops physical, social, and decision-making skills, promotes self-confidence, and, most importantly, provides plenty of fun.

Registration for Township residents opens Tuesday, January 20. Non-resident registration begins on Friday, January 23.

Camp Cranberry is offered in three groups: Mini Movers (ages 3-4), Little Achievers (ages 5-6), and Youth Camp (ages 6-8 and 9-12). Half-day hours are available for Mini Movers and Little Achievers. In addition to fun activities, several entertaining and educational guests are slated to visit Camp Cranberry.

Campers also have access to the Township Waterpark each day, with a designated lifeguard on duty.
