Registration for Swimming Lessons Now Open

Registration is now open for swimming lessons at the Cranberry Township Waterpark.

In coordination with Cranberry Township's Stand Up to Drowning campaign, swimming lessons are offered at the Waterpark. Highly trained, award-winning lifeguards teach lessons. The program's six levels focus on building skills, with each a prerequisite for the next.

Additional offerings include Parent & Child Aquatics (6 months to 3 years old), Preschool Aquatics (4-to 5-year-olds), and Private Lessons appropriate for all ages, including adults.

Teaching the fundamentals of swimming is part of the Waterpark's Stand Up to Drowning campaign. Swimmers take a pledge to educate themselves on the rules and safe swimming practices. Waterpark visitors are asked to sign the pledge display and commit to staying safe.
