***For standard residential service***, please enclose your check for \$490.00 payable to Cranberry Township.

***For commercial and non-standard residential*** accounts, refer to the Meter Installation Guide Price List at [www.cranberrytownship.org/DeductMeter](http://www.cranberrytownship.org/DeductMeter)

After you, or your plumber complete the necessary internal plumbing changes, call the Township at 724-776-4806 to schedule a convenient time to have the deduct meter installed. Be sure not to block the meter in order to provide access for inspection and servicing after the meter is installed. Please note, credits are given only on actual meter readings and not on estimated readings.

*Return this completed form along with your check to:*
