Purpose

Building on a long history of planning and doing to capitalize on the economic development opportunity presented by the Route 228 Corridor by planning for smart growth and building the infrastructure needed to support creation of family-sustaining jobs and successfully manage regional traffic flow.
**Construction**

- Long Tree Way and signalized intersection at Franklin Road planned constructed underway.
- PennDOT’s I-79 northbound and southbound ramps underway in late 2012.
- Phase 1 Route 228 improvements under construction early 2012.

**Jobs**

- **Job creation** is a national and state priority and Cranberry Township is positioned to provide the environment to make that happen.
- **Thousands** of jobs exist in the 228 Corridor and there is the potential for **thousands more**.
Keys to Success

✓ Good Planning
✓ Public / Private Partnerships
✓ No state or federal funding
✓ Strong cooperation
✓ Leveraging of local resources to create jobs
