Cranberry
Highlands
GOLF COURSE EST. 2002

ABOUT OUR COURSE

Owned and operated by Cranberry Township, Cranberry Highlands was developed to be a high quality, challenging yet playable public golf course. The par 70 layout sits atop a gently rolling plateau in northwest Cranberry Township in Butler County, Pennsylvania. Cranberry Highlands was named Pennsylvania's #1 Municipal Golf Course in 2009 by Golf Digest magazine.

Measuring 6,590 yards, the picturesque course was designed by the W.R. Love Golf Course Architecture firm of College Park Maryland. Primary designer, Bill Love, utilized the natural contours of the terrain and the changing wind conditions to create an enjoyable golf experience. Construction on the course began in March of 2001 and features bent grass tees, greens, and fairways. The course officially opened for play on August 24, 2002.

Four sets of tees are offered to suit golfers of all skill levels and provide an exciting golf experience. It features ample contoured fairways, large undulating greens and over 80 bunkers. The two main water features, man-made lakes on the par three #3 and the par four #12, provide stunning views and challenging golf. The site is comprised of 310 acres and the golf course is situated on 186 acres of beautiful terrain which includes some spectacular views. The site includes several environmentally sensitive wooded areas which remain undisturbed. Cranberry Highlands is recognized as a Certified Audubon Cooperative Sanctuary.

The clubhouse includes a golf shop, grill room, a banquet room, outside patio and pavilion. Also, there are two putting greens located near the first tee.
