

When your car is leaking oil on the street, remember it's not just leaking oil on the street.

Leaking oil goes from car to street. And is washed from the street into the storm drain and into our lakes, streams and into local rivers. Now imagine the number of cars in Cranberry Township and you can imagine the amount of oil that finds its way from leaky gaskets into our water. So please fix oil leaks.

**If you have questions regarding storm water,
