A FULL SUMMER FOR PUBLIC WORKS

Clear skies and new equipment have helped the Township’s Public Works Department stay busier than ever this summer.

Thanks to the purchase of a Vogele Super 700 paver earlier this year, crews have been able to fix holes and bumps in Township roads. They’ve also been able to perform general resurfacing work that in the past would have been an outside job.

The paver has also allowed crews a chance to patch walking trails, which have been getting significant use.

Elsewhere, staff recently performed excavation work along Ehrman Road in preparation for the new Seneca Valley school project. The department continues to cost-effectively optimize in-house resources, by exercising best operational practices for planning, organizing and successfully implementing maintenance work and operations.

TAKE THE CENSUS

Time is running out to make yourself count!

Important pieces of the community puzzle rely on the Census for federal funding. That makes the 2020 Census the most important in Cranberry Township’s history.

The future of schools, infrastructure and public safety depend upon an accurate count, as does political representation.

There are three ways to complete the Census:

- Online: 2020Census.gov
- Mail: Paper questionnaire
- Phone: 844-330-2020

WATER METER PORTAL

With more residents working from home, they are likely using more water. Curious to know just how much more?

The Township’s new customer portal gives in-depth data measuring water usage. Customers can compare usage to other time periods, set usage limits and alerts, while having access to information that helps to identify leaks, breaks or excessive usage.

To sign up, visit CranberryTownship.org/WaterMeter.

SLOW DOWN!

With school expected to resume on Wednesday, August 26, students around the Township will be heading back to class.

Drivers should expect heavy traffic around the Haine school campus, as well as near Rowan Elementary.

Stay alert and make sure our students remain safe!

END OF SEASON
REDUCED HOURS

(WEEKDAYS ONLY- WEEKENDS NOT AFFECTED)

• August 24 - 28: 4 - 8 PM
• August 31 - September 4: 4 - 8 PM

Admission: $6

Final Tuesday Night Swim
