While COVID-19 has created challenges to achieving high voter turnout, Election Day provides the chance to make your voice heard. That’s why there are more options to cast your ballot this year, including traditional in-person voting, mail-in ballots and absentee ballots. If voting by mail, be sure to act early to ensure the ballot is received by the due date to make your vote count! Butler County is in need of poll workers to serve in various voting precincts throughout the county. To find out more about voting, visit CranberryTownship.org/Vote.
Registration is Open!

- State certified learning center
- Following all state and CDC guidelines
- Covid-19 health & safety plan in place

To register, visit the Parks & Rec Customer Service office at the Municipal Center or call 724-779-4386.
