STORMWATER FEE ROLLED BACK

Due to the large impact the COVID-19 pandemic has had on the entire community, Township officials have decided to roll back plans to increase the stormwater fee in 2021.

Beginning in 2020, the General Authority of Cranberry Township imposed a stormwater utility fee to help offset the cost of U.S. Environmental Protection Agency and Pennsylvania Department of Environmental Protection mandates to manage the quantity and quality of stormwater. The fee was needed not only to cover the cost associated with the Municipal Separate Stormwater Sewer System (MS4) permitting process, but also to improve stormwater infrastructure.

The rate for 2020 was $3 per equivalent residential unit, with plans to increase that number to $6 per ERU in 2021.

However, recognizing the economic impact COVID-19 had on residents, businesses and non-profits, the General Authority took action to reduce that rate to $4 per ERU for 2021. This should result in thousands of dollars in savings, particularly to businesses and non-profits.

The full $6 rate will be implemented at the beginning of 2022 and will help cover costs already being spent on MS4 requirements.

This stormwater fee is listed on utility bills that may also include solid waste, sewer and/or water charges issued by the Township on a monthly basis.

HOLIDAY TRASH PICKUP

‘Tis the season for holiday celebrations, and with them come heaps of wrapping paper, boxes and Christmas trees.

Regular garbage pickup will not take place Friday, December 25 due to the Christmas holiday and Friday, January 1 for New Year’s Day. If your collection day is on Friday, collection will be one day later. The rest of the week will follow the normal schedule.

Have extra trash? Be sure to purchase pre-paid trash stickers prior to the holiday rush.

Need your Christmas tree hauled away? Simply leave it with your trash during the first two weeks of January.

For more information on pre-paid stickers and holiday schedules, visit CranberryTownship.org/Trash.
