About Cranberry Highlands Golf Course

Owned and operated by Cranberry Township, Cranberry Highlands was developed as a high quality, challenging yet enjoyable public golf course. The par 70 layout sits atop a gently rolling plateau in northwest Cranberry Township in Butler County, Pennsylvania. Cranberry Highlands was named Pennsylvania's #1 Municipal Golf Course by *Golf Digest* magazine.

Measuring 6,590 yards, the picturesque course was designed by the W.R. Love Golf Course Architecture firm of College Park Maryland. Primary designer, Bill Love, utilized the natural contours of the terrain and the changing wind conditions to create an unforgettable golf experience. He declared the course amazingly mature when it first opened on August 24, 2002. Construction on the course began in March of 2001 and features bent grass tees, greens and fairways.

Four sets of tees are offered to suit golfers of all skill levels and provide an exciting golf experience. It features ample contoured fairways, large undulating greens and over 80 sand bunkers. The two main water features, man-made lakes on the par three #3 and the par four #12, provide stunning views and challenging golf. The site is comprised of 310 acres and the golf course is situated on 186 acres of beautiful terrain which includes some spectacular views. The site includes several environmentally sensitive wooded areas which remain undisturbed. Cranberry Highlands is a recognized Certified Audubon Cooperative Sanctuary.

The clubhouse includes a golf shop, grill room, a banquet room, outside patio and our Audubon Pavilion. Two putting greens near the first tee are complimented by a driving range near the first green for lessons & clinics. Golf instruction by our professional staff is available upon request.
