Cranberry Township, PA is one of the fastest growing communities in Western PA. A progressive and well managed community that puts value into quality of life with its three large parks and municipal golf course. All together Cranberry has over 700 acres in their park system. CTPA, Cranberry Township Pickleball Association while run by volunteers in partnership with the Cranberry Township Parks & Rec department. Now in its 4<sup>th</sup> year of operation as of Dec 2020 has 645 members on 13 dedicated pickleball courts. Because the complex also includes tennis and basketball courts can create a complex of 25 pickleball courts. This year CTPA expects to be over 750 members by July 2021 which will hopefully result in the expansion of 7 more dedicated PB courts for 2022. What is unique of our partnership is our CTPA members pay and is responsible for our own maintenance and expansion. All proceeds goes back to our expansion effort and to promote pickleball. Each year we hold courses for our PB-1 Beginners class for 200 new people per year.
